

ACCU TURF™

Pro 31 Longlife 31-2-6

With Longlife PCU and Stabilised Nitrogen for 80% Slow Release

Product Features:

- 58% of the nitrogen is derived from Longlife polymer coated urea.
- 22% of the nitrogen is from stabilized nitrogen. Stabilised nitrogen contains two inhibitors that reduce nitrogen loss to ammonia volatilization and nitrate leaching
- Combination of these two slow release nitrogen technologies provides much greater longevity.
- 20% of the Nitrogen is in an ammonium form
- Phosphorous is in a plant available form.

Product Benefits:

- Polymer Coated Urea slow release nitrogen is a trusted technology that has a gradual, consistent release and longevity that allows for the effective feeding of turfgrass with fewer applications for 10 to 12 weeks
- Urease inhibitor in combination with the nitrification inhibitor in stabilised urea significantly increases nitrogen absorption by turfgrass to provide uniform growth, deep root mass and consistent colour intensity over 8 weeks.

Guaranteed Minimum Analysis:

Total Nitrogen (N)	30.74%
17.7% Polymer Coated Urea	
6.88% Stabilised Urea Nitrogen	
6.24% Ammoniacal Nitrogen	
Phosphorous (P)	2.23%
Potash (K)	6.0%
Sulfur (S)	5.16%

Derived From:

Polymer Coated Urea, Stabilised Urea, Ammonium Sulphate, Di-ammonium phosphate, Potassium chloride

FORMAT: 20kg

SGN: 250

Application Rates:

Bag kg	Application rate kg/100m ²	Application rate kg/ha	Nutrition Supplied kg/100m ²			Area covered m ² per bag	Number of bags per Hectare
			N	P	K		
20	1.80	180	0.56	0.04	0.11	1429	9
	2.5	250	0.77	0.06	0.15	800	12.5

Notice

- This product may stain concrete and other surfaces. Product applied to these surfaces should be promptly removed by sweeping or blowing. DO NOT WASH OFF WITH WATER.

Precautions

- KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Do not inhale. Fertilizer may cause irritation of eyes, nose, throat and skin.
- In case of contact with eyes, flush with plenty of water; get medical attention.

Storage and Use

- Store in a clean, dry place.
- Reseal opened bag by folding top down and securing.
- Use only clean, dry spreaders.
- Do not leave unused product in spreaders.
